

Kayaking on the River

Wednesday, July 23, 8:00 AM - 11:00 AM

(Children six and over, and must be able to swim)

\$46 US per person

Pittsburgh is defined by its rivers and our guided Kayak eco-tour is a great way to experience and learn about it. We'll start our tour with paddling and safety instruction and a little bit of practice. Sitting in our stable, beginner-friendly boats and dazzled by the gorgeous Pittsburgh skyline, you won't even realize that you are suddenly paddling like a pro. Our leisurely paddle will take us up the Allegheny River to historic Washington's Landing and back. Along the way expect beautiful views and lively conversation about the river's history and ecology.
