E-Week Events

Student Activities

Several colleges in Vermont have planned E-Week festivities of their own. These festivities include competitions, speakers and special presentations.

The University of Vermont will be hosting their annual Edible Car, Wind Mill, Passive Helicopter, Pasta Bridge, and Hanger Roof Truss Competitions for elementary, middle, and high school students. It will be fun for all who attend. Competitions will be held **Thursday, March 5th from 9:00 am to 11:30 am at the Vermont Air National Guard.** If your son or daughter is interested in signing up for the competitions, or if you are merely interested in attending, please contact **Dawn Densmore,** densmore@cems.uvm.edu or visit <http://www.emba.uvm.edu/EWeek>.

Norwich University will be conducting their annual E-week activities including a 2 Person Sled Relay, Snow Sculptures, and Engineer Athletics throughout the week. The events will conclude with a Student Engineering Banquet and keynote speaker. For more information contact **Carol Stephens** at cstephen@norwich.edu or 485-2278.

Order of the Engineer

This ceremony is an opportunity for an engineer to formalize his or her commitment to the engineering profession. This year's ceremony will be held in **101 Fleming Museum, University of Vermont on Friday, February 20,** and will begin at **4:30 p.m.** Parking will be available in the Votey Hall parking lot. If you're interested in participating, please contact **Karen Bernard** at **656-3333** or Karen.Bernard@uvm.edu.

Introduce a Girl to Engineering Day

This event will bring female engineers together with prospective students to talk about their experiences and careers. The event is coordinated through the Center for Technology, Essex. Jim Dirmaier, the Engineering and Architecture teacher at CTE, and Kelly Walsh, a representative from Vermont Works for Women, are coordinating the event. If you're interested in participating, please contact **Kelly Walsh** at kw Walsh@vtworksforwomen.org

Engineers Week Banquet

Engineers Week festivities will close with the annual Banquet. It will be held at the Sheraton in Burlington, Vermont on Friday, February 20.

The FIRST Robotics Competition team from St. Johnsbury Academy will headline this

year's event. They will give a presentation on their robot, their team, and the FIRST Robotics Competition which was founded by Dean Kamen, the inventor of the Segway PT.

The Reception will begin at 5:30 pm. Dinner will be served at 6:30 with awards and presentation to follow.

The cost is \$35 (\$20 for students). If you wish to only attend the presentation without dinner, the cost is \$10. Please **RSVP to Jill Floyd by Feb. 13th at Jill.Floyd@stantec.com or 864-0223.**

Engineers Day Under the Dome

All Vermont Engineers are invited to gather in the **Card Room at the Statehouse on Friday, February 20th from 8am - 4pm.** Representatives from the state engineering societies will be available to discuss issues that are of interest to the engineering community. We welcome all to attend and meet the local professionals dedicated to protecting the health, safety and welfare of the general public.
