ASR4India

SYMPOSIUM

Bangalore Chapter presents ..

Date: July 27, 2007

Place: IIT - Bangalore Campus

IEEE Signal Processing Society Bangalore chapter presents: **ASR4India**, an **IEEE Symposium on Automatic Speech Recognition in the Indian Context**: a one-day symposium to discuss Speech Recognition in Indian context –requirements, challenges, status of today's solutions and research directions. This event also marks the finale of the ongoing ASR Summer School.

Leading industry and academic experts as well as the vendors and users of this technology will be participating to discuss, present, and demonstrate their products in this symposium. A tentative program outline is given below (check IEEE SP Society Bangalore Chapter Website for final program)

Technical Program:

Session-1: Presentations by various experts on where ASR technology stands today
ASR World View: worldwide

Session-2: Presentations by industry and academic experts on where ASR
ASR In the Indian Context: technology stands in India, relevance, applications, challenges.

Session-3: Demonstrations and research results from companies who have ASR
Demonstrations based solutions for Indian languages

Session-4: Your chance to ask the experts hard questions and find out their opinions
Panel Discussion : on various aspects of ASR technology and where ASR is heading

Session-5: Short discussion to summarize the learning and explore what can be done
Closing Session in terms of collaboration & define future events.

Keynote Speech & Dr. Biswadip Mitra, MD, Texas Instrument. Awards to be presented to the
Award Ceremony winning project teams of the ASR Summer School.

Lecturers & Demonstrations from: CMU, Hykia Corp., IBM India Research, Texas Instrument, Microsoft Research, HP Labs, other academic & industrial experts.

Timing: Jul 27, Friday: Registration: 7:30 am to 8:30 am; Symposium: 8:30 am till 5pm.

Registration Fee (incl. lunch): Rs 300 for students & Rs 1000 for non-students. Preregistration is required

If interested, please immediately pre-register by sending your name & organization by email to Ms. Sharada [mailto:mail2sharada@gmail.com or to sharada@ece.iisc.ernet.in] Fee to be paid in cash at the venue.
