

Announcement
IEEE Job Fair for the Student Members of IEEE
February 23, 2008

IEEE Bombay section is pleased to announce a major recruitment event for IEEE student members. The purpose is solely to help graduating and freshly graduated engineers to connect with some of the best recruiting companies.

So do take advantage of this job fair and do participate in an event which can be a turning point in your careers !!

On the day of the event, please bring several paper-copies of your current resumes/CV and your IEEE membership card.

The event is free for the participating members.

Who can attend ?

All the IEEE student members who are

- a) In final year of any bachelor's program in Engineering/Computer science/IT/... (e.g. B.E., B.Tech, BCS, ...)
- b) Fresh graduates(IEEE members) from 2007 looking for right jobs.

Note for non-members:

Terminals with internet access will be set up on the day of the fair where the non members can become members by filling out the application form online and paying online by means of international credit cards. The new members will be able to participate in the job fair.

OR

- a) The students who are not members can bring in a DD/check for Rs.1000/- in name of "IEEE Bombay Section" on the day of fair and fill out an application form and become members and they will be allowed to participate.
- b) The 2007 graduates who are not members can bring in a DD/check for Rs.2620/- in name of "IEEE Bombay Section" on the day of fair and fill out an application form and become members and they will be allowed to participate.
