

IEEE BOMBAY SECTION
CALENDAR OF MAIN EVENTS

A summary of events organised by the Section.

12th January, 2004

EE Seminar Hall, IIT Bombay, Powai, Mumbai

“Sigma-Delta Converters” Prof. Paul Jespers, FIEEE

IEEE Distinguished Lecturer
Catholic University
Belgium

“Techniques for very low-voltage operation of continuous-time analog CMOS circuits”

Prof. Jaime Ramirez-Angulo,
IEEE Distinguished Lecturer
Director of the VLSI lab
Klipsch School of Electrical and Computer Engineering
New Mexico State University in Las Cruces, New Mexico (USA)

January 24, 2004,

Pune SubSection of IEEE Bombay Section was formally inaugurated at the hands of Dr S K Gupta, Director of Software Technology Parks, Pune and other dignatories including Prof B R Prabhu, Chair and Mr D M Tagare, Chair of Pune Subsection. Venue : Pune Institute of Engg & Technology (formerly GCOE - Pune).

February 12-13, 2004

“ELECTRIFYING INDIA - POWER SECTOR & ROLE OF ENGINEERING MANAGEMENT” organised by ENGINEERING MANAGEMENT SOCIETY BOMBAY CHAPTER at Hotel Hyatt Regency

Inaugurated by Hon Min of State for Power, and MP from Mumbai, Smt Jayawantiben Mehta. Mr H L Bajaj, FIEEE, Director of Central Electricity Authority, Delhi gave the keynote address.

The second day's keynote address was again by FIEEE, Dr M Ramamoorthy, Director ERDA, Baroda. Both days' proceedings were well attended by the

cream of decision makers in the power sector, especially from the CEA, NTPC, MSEB, and other organisations.

The 2-day seminar was a tribute to the organisation skills of Mr Kirit Sheth and his team, especially the Program Chair, Mr A Velayutham, Member Secretary WREB and active IEEE member.

March 20, 2004

Finals of the Prof K Shankar, Paper & Project contest at Sardar Patel College of Engineering, Andheri (West), Mumbai.

May 19, 2004

Half-day Workshop on THE ART OF ANALOG DESIGN

By Robert A. Pease, National Semiconductor, USA,
Legendary analog circuit designer

Seminar Hall, Kanwal Rekhi School of Information Technology (KReSIT), IIT Bombay

Also simultaneously in Nanded, Pune, Nagpur, Navi Mumbai, Indore and Goa!!

For the first time in IEEE Bombay Section history, this workshop was also simultaneously available through a 2-way broadcast, in association with the Distance Education Program of Kanwal Rekhi School of Information Technology, IIT Bombay

21 August 2004

Workshop on "Operation & Maintenance of Electrical Equipments" at Pune, one of a series of training and updating workshops from Power Engg Society, Bombay Section held in Mumbai and Pune organised by Mr D M Tagare and Dr D J Doke and team. The response from industry was excellent.

October 2, 2004

Annual meeting of the branch officers' of Bombay section at Sardar Patel College of Engineering, Andheri.

Total participation was 66 from branches of Mumbai area, Pune, Indore, Goa, Sangamner, Kopergaon, shegaon. Totally 26 branches were represented.

November 1, 2004

Talk on "Towards Automatically Switched Optical Networks (ASON)"
by Prof Andrez Jajszczyk FIEEE, AGH University of Science & Technology
Krakow, Poland

Venue : IIT Powai

November 19, 2004

Talk on "Power Quality" by Dr. Rao S. Thallam, Senior Principal Engineer,
Electric System Planning and Engineering Department, Salt River Project,
a public water and power utility in Arizona, USA;

Venue : IIT Powai

EVENTS CO-HOSTED WITH OTHER PROFESSIONAL BODIES

16th to 19th Jan. 2004

Short Course on " ADSP Applications with Hands on Experience " Conducted at
Pune jointly with WIE Affinity Group , IEEE Pune Sub-section , Dept. of E & TC
& PIET .

6th Feb. 2004

Lecture on " Cyber Crimes " arranged jointly with IETE , IRSTE & IEE.
Held at Western Railway Conference Hall, Churchgate, Mumbai .

April 30 & May 1.

Power Quality Workshop (Monitoring, standards, mitigation techniques: practices
and trends) at Nashik jointly organised in association with the Indian Wing of
International Council on large Electric systems (CIGRE)

17th May 2004

36th World Telecom Day Celebrations arranged jointly with Mumbai Chapters of
IETE , IRSTE & IEE, BESI.
Held at Western Railway Conference Hall, Churchgate, Mumbai

16th July 2004

Workshop on Nanotechnology organized by VNIT, Nagpur & Co-Sponsored by
IEEE Bombay Section & IETE, Nagpur Centre
