Report: WIE Event 2

Event: One-Day Workshop on "Fundamentals of MATLAB"

Date: 25/06/2018

Venue: **Digital Signal Processing Laboratory, Dept. of ETCE, Jadavpur University**

The One-Day Workshop on **"Fundamentals of MATLAB"** was organized for the students of Jodhpur Park Womens' Polytechnic, Kolkata. This workshop was held at Digital Signal Processing Laboratory, Dept. of ETCE, Jadavpur University, on 25/06/2018. Total number of participants was 12 for this program. The workshop was structured in such a way that the students can acquire the detailed knowledge about the fundamental commands of MATLAB which would be helpful to apply in several application areas in future. This workshop was organized as an extension program of the earlier workshop as requested by the final year students of the Jodhpur Park Womens' Polytechnic. According to the requirement of the students, special emphasis was given to the fundamental parts. In the 2nd half of the workshop, the students were given various assignments to assess their knowledge. Some of the mini projects related to various fields also designed for them which were given as the future assignments.

WIE Chairperson Prof. Sudipta Chatterjee (at the middle) with the participants; Students are solving the assignments
