Date: Wednesday 2 December 2009

Timing: 5:30 pm E&ITE Committee AGM and pre-lecture refreshments
6:00 pm Lecture & questions
6:45 pm Student Prizes presentation, followed by dinner

Venue: Engineers Australia auditorium, 8 Thomas St, Chatswood for the award presentation and lecture, followed by dinner at a local restaurant.

SUBJECT: ENGINEERING AND GENERATION Y

Abstract: Every young engineer is looking for a challenging and rewarding career where they can travel widely and make a difference to the world. This presentation will highlight how the power industry, with its climate change challenges can meet your expectations - and more.

Speaker: **Simon Bartlett** BE(elect hons), BSC, CPEng, FIEAust, FTSE, FAICD, RPEQ

As Powerlink's Chief Operating Officer, Simon is responsible for managing and coordinating all aspects of high voltage electricity transmission that includes 13,000 kilometres of transmission lines and more than 100 major substations throughout Queensland. Simon is also a director of ElectraNet SA, CIGRE and chairman of the Australian Power Institute. He is also a passionate supporter of young engineers and engineering education in Australia.

In June 2009, the Electrical College Board of Engineers Australia awarded Simon the inaugural 2009 National Professional Electrical Engineer of the Year Award. This award recognises excellent performance by a highly respected senior member of the College.

For More Details: Please contact Allan Sangster 0429 429 428 Allan.sangster@gmail.com

Food: Refreshment s will be served at 5:30pm
Award winners are offered free dinner following the presentation

Note: Attendance may be credited towards Engineers Australia Continuing Professional Development (CPD) requirements. Engineers Australia members are required to undertake a minimum of 150 hours CPD every three (3) years. Members are responsible for recording CPD for audit.
