

IEEE Cloud Computing Workshop

4 February 2011 – Mumbai

Industry Leaders. Presentations. Discussions. Solutions.

IEEE Standards Association, with support from the IEEE Bombay Section, will hold an informative and interactive workshop to discuss major initiatives that IEEE is engaging in related to Cloud Computing activities.

Join the discussion. Industry leaders will share insight into current international initiatives. Participants are invited to engage in interactive panel discussions aimed at discovering innovative solutions to drive the adoption and use of cloud computing.

Topics to be discussed include cloud-to-cloud communications, interoperability, and portability.

Workshop Objectives

- Informative technical presentations by industry experts
- Introduction to IEEE and IEEE Standards Association
- Overview of IEEE Cloud Computing activities, with a focus on standards
- Explore local issues and initiatives, and ways to get more involved in driving solutions and standards, with the help of IEEE

4 February 2011 – Mumbai

14:00 – 17:00

**Fr. Conceicao Rodrigues
College of Engineering**

Fr Agnel Ashram,
Bandstand, Bandra (W),
Mumbai, Maharashtra
91-22-26423841 / 842 / 004

**IEEE: Advancing Technology
for Humanity**

Who Should Attend:

*Industry participants
Technology researchers
Technology developers
Standards developers
Students*

IEEE Standards Association will also hold a Cloud Computing Workshop in New Delhi on 7 February 2011 (14:00 – 17:00) at Jamia Millia Islamia University.
