

# IEEE Smart Grid Workshop

## 4 February 2011 – Mumbai

**Industry Leaders. Presentations. Discussions. Solutions.**

IEEE Standards Association, with support from the IEEE Bombay Section, will hold an informative and interactive workshop on the topic of Smart Grid and the role that standards play in addressing foundational development and resource interconnection.

Join the discussion. Industry leaders will share insight into current international initiatives. Participants are invited to engage in interactive panel discussions aimed at discovering innovative solutions to drive the next generation of grid interoperability.

### Workshop Objectives

- Informative technical presentations by industry experts
- Introduction to IEEE and IEEE Standards Association
- Overview of IEEE Smart Grid activities, with a focus on standards
- Explore local issues and initiatives, and ways to get more involved in driving solutions and standards, with the help of IEEE

**4 February 2011 – Mumbai**

**09:00 – 12:00**  
**Sardar Patel Institute of  
Technology (SPIT)**

Bharatiya Vidya Bhavans  
Sardar Patel Institute of Technology  
Munshi Nagar, Andheri (West),  
Mumbai 400 058  
+91-022-26707440, +91-022-26287250

### To register:

Sign up by 24 January at:  
<https://web.memberclicks.com/mc/quickForm/viewForm.do?orgId=iieee&formId=94219>

**For additional information**  
e-mail: [j.wendorf@ieee.org](mailto:j.wendorf@ieee.org)

**Registration is required. Space is limited.**  
**Admission is free.**

**IEEE: Advancing Technology  
for Humanity**

#### ***Who Should Attend:***

*Industry participants,  
Technology researchers,  
Technology developers,  
Standards developers,  
Public sector representatives,  
Students*

*IEEE Standards Association will also hold a Smart Grid Workshop in New Delhi  
on 10 February 2011 (14:00 – 17:00) at Jamia Millia Islamia University.*

*For details, see:*
