

## Lecture Series in Communication 2010

Speaker: **Dr. Ram Kashi**, Senior Research Scientist, Avaya India

Topic: **"New Trends in Enterprise Communication"**

*There has been a significant shift in enterprise communications over the last decade. This talk will describe on the impact of social media, the ability to provide context aware communications and the capabilities of new endpoints to enhance productivity in enterprise users*

Venue : Seminar hall w 306, Bharati Vidyapeeth College of Engineering,

Date : 30th July 2010 (Friday)

Time	Details
3:45 PM – 3:55 PM	Welcome and Introduction of the speaker
3:55 PM – 4:05 PM	IEEE & IEEE Communication Society – Membership benefits – Dr. Avinash Joshi
4:10 PM – 5 PM	New Trends in Enterprise Communication
5 PM – 5:20 PM	Q & A Session
5:25 PM – 5.30 PM	Vote of Thanks

### Brief Profile of Dr. Ram Kashi

Dr. Ramanujan Kashi is a senior Research Scientist, Multimedia Technologies Research at Avaya. He and his team contribute to Avaya's research in document image processing, SMS and digital ink, user authentication, collaboration and e-learning, streaming video, self-service systems, and the use of these technologies in Avaya's CRM and VoIP offers. Ram obtained his Bachelors from Mysore University, Masters and Doctoral degrees from Rutgers University in New Jersey, USA. Soon after, he joined AT&T Bell Laboratories at Murray Hill in 1994 as Member of Technical Staff, transferred to Lucent Bell Labs in 1996 and to Avaya Labs Research in 2000. In 2004, he relocated to India to start a research group in multimedia at the company's wholly owned subsidiary called Avaya India Private Limited. He has numerous book chapters, edited a book on document processing and over forty publications and seven patents.

### About Avaya

Avaya is a global leader in enterprise communications systems. The company provides unified communications, contact centers, and related services directly and through its channel partners to leading businesses and organizations around the world. Enterprises of all sizes depend on Avaya for state-of-the-art communications that improve efficiency, collaboration, customer service and competitiveness.
