**Present and Future**

Guest Speaker: Dr. Chuck Merritt  
Project Controls Manager, UniStar Nuclear Energy

Wednesday, October 21, 2009  
6:00 PM – 9:00 PM  
Dinner will be served.

### Are you ready for America's Nuclear Renaissance?

Learn about the current state of the nuclear power industry and where it's headed in the future. Dr. Chuck Merritt will present the role of nuclear power generation in the US energy portfolio, the policies and regulations surrounding "new nuclear", and the progress of the Calvert Cliffs Unit 3 project.

#### Presenter: Dr. Chuck Merritt

Dr. Merritt is currently the Project Controls Manager, UniStar Nuclear Energy, a joint venture between Constellation Energy and Electricité de France. In this role he is responsible for the development of the UniStar Nuclear Energy project controls including integrated schedules and cost estimates for all UniStar projects. He joined Constellation Energy, then Baltimore Gas & Electric Company, in March of 1991 at the Calvert Cliffs Nuclear Power Plant in Maryland.
