

Austin Conference on Integrated Systems & Circuits

October 26-27, 2009 | The Commons @ Pickle Research Center | acisc.org

30+ presentations for \$150! EARLY BIRD PRICES EXTENDED TO OCT 9!!

Register NOW! for the
AUSTIN CONFERENCE ON INTEGRATED SYSTEMS & CIRCUITS (ACISC)
acisc.org

October 26-27 at the J.J. Pickle Center in Austin

KEYNOTES

- Freescale's CTO Ken Hansen
- ARM's VP of Research Krisztián Flautner

EMBEDDED TUTORIALS

- Coming Soon! VLSI in 3D...
(Design and Methodology Considerations of 3D Integration)
- Silicon-based Millimeter-Wave Multiple-Antenna Transceivers:
From Beamforming to Baseband
- Designing Multi-Processor and Multi-Core Systems-on-Chip

EARLY BIRD PRICES END OCT 9!!!

Admission includes 30+ presentations, a poster show, 2 breakfasts, 2 lunches, and an evening networking event!

\$150 for IEEE members

\$175 for non-members

\$50 for students
