

2009 IEEE REGION 5 AWARDS PROGRAM

Region Officers, Section Chairs/Leaders & their Chapter Leaders, Student Branches, Region 5 individual members, need to begin the process of identifying those individuals or functions that are deserving of recognition.

The hard deadline for nominations is March 7th to Scott Atkinson, Region 5 Awards Chair, scott.atkinson@fullarmorgroup.com. Members of the Awards Committee (Region 5 Awards Chair, Region Area Chairs and Tom Grim (Committee Ad Hoc Member) cannot nominate as we are members of the Region 5 Awards Committee.

For the Region 5 Awards Manual, <https://www.ieeecommunities.org/ieee.region5>. This manual contains all the information needed to successfully nominate someone or some function for recognition.

Additionally there is a separate file (in Word 2003) of the actual nomination forms which are structured for easy fill in. One caution, some individual awards require 2 additional endorsements which must be sent in separately via email to Scott.

Email endorsements need to say more than just “I endorse (name) for (name of award)” to receive an effective endorsement.

Here are the categories of awards for those who may be deserving of recognition:

- 001 Outstanding Large Section (500+ members)
- 002 Outstanding Small Section (< 500 members)
- 003 Outstanding Member
- 004 Outstanding Educator
- 005 Outstanding Large Student Branch (50+ members)
- 006 Outstanding Small Student Branch (<50 mbrs)
- 007 Outstanding Student
- 008 Outstanding Student Branch Counselor
- 009 Outstanding Large Company
- 010 Outstanding Small Company
- 012 Outstanding GOLD Member
- 013 Outstanding Individual Achievement Award (can recognize up to 5 individuals)

Questions can be addressed to members of the Awards Committee:

Scott Atkinson, Chair, Terry Martin, Ken Vollmar, Clif Denny, Desiree Gilani, Tom Grim
