

# AT&T Park Solar Panel Installation Project

fxa2

# Introduction

- Project Management Perspective
- Fernando Aguilar, Senior Project Manager, Electric Transmission

# Topics of Discussion

- Why Solar at AT&T Park?
- Proposal
- Obstacles
- Contracts
- Construction
- Lessons Learned

# Why Solar at AT&T Park?

- 2007 All-Star Game
- Lets green this city
- Never been done before

# Proposal

- Negotiations with SF Giants
- Solar Design Associates

# Obstacles

- Lack of Expertise
- Schedule too aggressive
- SF Giants
- Permitting

# Contracts

- SDA (Design and Engineering)
- Kortick Manufacturing (Olson Steel)
- Cupertino Electric
- Sharp Solar Panels

# Construction

- Baseball Schedule
- Small Footprint
- Interconnection to Grid

# Lessons Learned

- Earlier the Better
- Be realistic
