Nomination Conditions

- The Nomination Form sent with the Call for Nominations must be completed by a Proposer and a Seconder who are familiar with the work and contribution of the candidate. Both Proposer and Seconder must be IEEE members of any membership grade. The nominations must be made through the Section Chair, who must endorse and sign the Nomination Form (the Chairperson may also act as Proposer or Seconder).
- Nominations must be received by the IEEE Region 10 Awards & Recognition Committee Chair not later than end of October in electronic means (pdf file) or fax. Make sure that an acknowledgement is received after sending the completed form, or it should be assumed that the submission is not received.

- Furthering the work and promoting the objectives of the IEEE and of Region 10 in general, and of the section in particular at section, chapter or student branch level, or in some other IEEE volunteer activity.

Selection Committee

The R10 Awards & Recognition Committee reviews the submitted nominations, selects and endorses the recipients. The decision of the R10 Awards & Recognition Committee is final.

Award Instrument

A certificate will be awarded to the R10 Outstanding Volunteers.

Presentation

One Award will be selected and presented to the winner at the IEEE Region 10 Annual Committee Meeting normally held early next year, with the travel expenses to be supported by R10. Other Awards would be sent to the Section Chairperson for the presentation at an appropriate event of the section.
