

# IEEE REGION 10 GOLD CONGRESS 2009

*"Addressing the Challenges of Young Professionals  
& Next Generation Leaders"*

05 & 06 December 2009, Bangalore, INDIA

Today, the IEEE stands proud with 125 years of rich experience in fostering technology and empowering technocrats across the globe. IEEE has been organizing numerous events that benefit its members and the society. It's essential that they are sustained across generations. It is important to identify the challenges, groom the future leaders and pass on expertise through the generations.

IEEE Graduates of the Last Decade (GOLD) Members are potential future leaders of IEEE and this congress offers a great avenue to celebrate GOLD events and share best practices. It aims to equip GOLD members and final year IEEE student members with skills necessary to face the **Challenges of Next Generation Leaders**.

The event will include sessions on several themes such as innovation, entrepreneurship, career building etc. It will feature talks by eminent industry leaders, academicians and several team building, expertise sharing activities. It will be an excellent forum to meet IEEE GOLD members across the globe.
