

Announcing a New Student Member Package for 2010

Join IEEE and the IEEE Computer Society, and receive FREE access to the Computer Society Digital Library (CSDL) for only \$40.

Your CSDL subscription gives you

- All 27 Computer Society peer-reviewed periodicals with full archives, covering the spectrum of computing and information technology
- 3,300+ conference publications from around the globe
- 320,000+ top quality articles and papers for serious research or quick answers

Your benefits also include

- Access to development software from Microsoft
- Access to 600 technical books from Safari® Books Online
- Access to 3,000 courses powered by Element K® and available in 10 languages
- Valuable networking opportunities through membership in your local chapter

The 2010 membership year begins early September 2009 — mark your calendar now to become a member of IEEE and the IEEE Computer Society **for just \$40**, and get access to the Computer Society Digital Library.
