

Call for Participations

(Free of Charge)

“Human Support Technologies from IEEE”

Room 702 - TA QUANG BUU LIBRARY BUILDING
HANOI UNIVERSITY OF TECHNOLOGY

1 Dai Co Viet Road, Hanoi, Vietnam

HUT: <http://www.hut.edu.vn/>

Library: <http://library.hut.edu.vn/>

TA QUANG BUU LIBRARY BUILDING

13:15-18:00, Feb. 27, 2009

Sponsored by IEEE Region 10 and IEEE Vietnam Section

IEEE Region 10 Technical Activities announce the first distinguished seminar on “**Human Support Technologies from IEEE**” at the Hanoi University of Technology, Vietnam, Coordinator: Toshio Fukuda, on Feb. 27, 2009.

All participants, including engineers, scientists and students, are welcome to attend to this premier seminar of the IEEE Region 10, (free of charge):

(Program)

13:15-13:30 Toshio Fukuda (R10 Technical Activities Coordinator, Nagoya University)

“Introduction of the Seminar for Region 10”

1. 13:30-14:00

Joseph V. Lillie (Vice President, IEEE Member and Geographic Activities, AT&T, USA)

“Leadership Skills in the IEEE”

2. 14:00-14:30

Yong-Jin Park (Director IEEE R10, Hanyang University, Korea)

“e-Science and Research & Education Networks Development”

3. 14:30-15:00

Janina Mazierska, (R10 Past Director, Massey University, New Zealand)

“Measurements of Complex Permittivity and Surface Resistance of Novel Low Loss Materials for Future Technologies”

15:00-15:30 Coffee Breaks

4. 15:30-16:00

Marimuthu Ramalatha (R10 Women In Engineering Representative, Anna University, India)

“Women in Engineering and Technology for Human Welfare”

5. 16:00-16:30

Marzuki Khalid (Technical University of Malaysia, Malaysia)

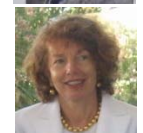

“Artificial Intelligence and Its Applications in Industry”

6. 16:30-17:00

Ta Cao Minh (Chair, IEEE Vietnam Section, Hanoi University of Technology, Vietnam)

“Industrial Automation: Actual Status and Future Trends”

17:00-18:00 Reception
