

# **TENCON 2008**

**18 – 21 NOVEMBER, 2008**

**INNOVATIVE TECHNOLOGIES FOR  
SOCIETAL TRANSFORMATION**

**ORGANISED BY  
IEEE Hyderabad Section  
&  
IEEE Region 10**

# SPONSORS

- **University of Hyderabad**
- **IEEE Industry Applications Society**
- **IEEE Power Engineering Society**
- **IEEE Electron Devices Society**
- **IBM**
- **SGI**
- **Altair**

# TUTORIALS

18<sup>th</sup> November, 2008

- **Power Quality – S. Mark Halpin**
- **WhyFi: Understanding the performance of WiFi Local Area Networks –Dr. Anurag Kumar**
- **Coding for Wireless Networks – P. Vijay Kumar**
- **Perception & Image Processing – Al Bovik**

# **TECHNICAL SESSIONS**

**19 – 21 November, 2008**

## **PAPERS**

- **Oral Sessions – 48**
- **Poster Sessions – 19**
- **Delegates – 348**
- **Total Papers Received - 1153**
- **Accepted – 582**
- **Presented – 487**

# Participants

## India

- IEEE Members – 111
- Non Members – 107
- Student IEEE Members - 20
- Student Non Members – 42

## Other Countries

- IEEE Members – 27
- Non Members – 17
- Student IEEE Members - 13
- Student Non Members - 11

# Hyderabad Section

- **Formation of Section – 14<sup>th</sup> May 1984**
- **Conducted International and National Conferences & Seminars**
- **Engineering Education in India – ACE-93**
- **Power Quality – 1995, 1998**
- **Internet for India – ACE-97**
- **IEEE IAS International Conference on Industrial Automation & Control – 1995**
- **2000 IEEE International Conference on Personal Wireless Communication**
- **TENCON 2008**

# FUTURE PROGRAMS

**25<sup>th</sup> Year of Hyderabad Section Formation  
Celebrations during May – June 2009**

- **Technical Seminars are planned**
- **Technical Support from R10 is requested**
- **Dates will be intimated soon**
