

# **TECHNO-DREAM**

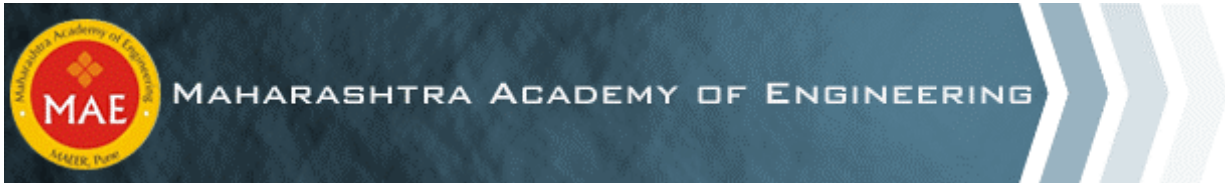

--Technology beyond dreams

**24<sup>th</sup> March-09**

*Organized by*

**MAE-IEEE STUDENT BRANCH,**

**MAE College of Engineering,  
Alandi, Pune.**

## **Maharashtra Academy of Engineering is organizing a technical fest**

### **TECHNO DREAM -09**

The festival comprising of 2 contests, paper presentation and project competition which will be open to host more than 250 students which are specialized in their respective engineering domain on 24<sup>th</sup> March 2009. Only single best group will be representing their college in their respective domain.

We take this opportunity to invite students from all over pune to participate in this grand event.

This mega technical fest's environment was full of students involved in complex intellectual functioning, which would require self-control, fundamental skills of reasoning, thought generalizing & understanding.

### **Objective of 'Techno – Dream':-**

- Technical event
  - Paper Presentation
  - Project competition
- Launching of magazine

Objective of TECHNO-DREAM is to bring only the best papers of different colleges and hence to declare the best Techno College of the year. Also the MOU will be signed with different companies for enhancing technical knowledge of MAE students.

We will be considering only one best paper from each college for individual module. Best abstracts will be published in the event magazine along with the synopsis of projects.
