IIEE -IEEE Student Branch

Hardware/Software Competition
Participation Form

As a continuation of Student Seminar and exhibition held by IIEE-IEEE Student Branch annually, Student Branch is organizing 6th Karachi Level Student Seminar and Electronics Project Competition under the name "e-Indus 2006 ", at IIEE Auditorium on 11th March 2006. All the IEEE Student Branches and Universities/Colleges of the city, related to the discipline, have been invited to participate in e-Indus 2006 and highlight & explore the developments and prospects of e-technology of the new era.
Students are invited to participate in the **Paper competition** in any of these disciplines:
- ❖ Electronics Engineering
- ❖ Industrial Electronics Engineering
- ❖ Electrical Engineering
- ❖ Computer Systems Engineering
- ❖ Software Engineering

  - E-Indus 2006 Organizing committee has the authority to make any amendments to the Rules and Regulations listed in the document.

Hardware Competition
Sample Abstract Format

Project Title:

The name of your project appears here.

Field of Science:

The field of engineering your project focuses on. (e.g., Electronics, Telecommunication, Mechanical etc. ...).

Hardware Requirements

Scribble the details of the apparatus you required (or expect us to provide you with, at the exhibition) for the functioning of your project.

Practical Applications:

Jot down the practical implementations your project proposes or any application it could be used for. How does it supercede the already implied methods or how can one benefit by using your proposed solutions.

Background and Justification:

Write down the research work carried out in the field of your work, and propose your solution with the advancements, enhancements or innovations you've contributed to the task.

NOTE: • The abstract should not exceed THREE (3) papers of an electronic document. • Fonts should be made clear and readable, preferably of the type "Times New Roman", Size: 12.
