### ASTR 2004 Workshop on Accelerated Stress Testing & Reliability October 6-8, 2004

#### **Hotel:**

Holiday Inn Chicago-Mart Plaza  
350 North Orleans Street  
Chicago, IL 60654

#### **Conference Overview:**

The AST Workshop is an IEEE/CPMT sponsored conference. This will be the ninth year for representatives from over 150 industrial leaders, nationally and internationally to present their work regarding such topics as: Advanced Approaches to AST, Environmental Testing Conditions, Reliability Improvement Techniques, AST Data Collection and Prediction, Stress Screening Techniques, Failure Analysis Techniques, and Physics of Failure Techniques.

The creative use of vibration, thermal cycling, shock, liquid cooling, infrared, etc., and various parameter measurement equipment will be typical topics of discussion. Data acquisition, reliability interpretation of test results, along with reliability prediction tools will also be of interest. Representatives from companies such as HPQ, Agilent, Sun, Cisco, Lucent, AT&T, IBM, 3COM, Nortel, Dell, are some of the typical attendees and presenters.

Please see: <http://www.ewh.ieee.org/soc/cpmt/tc7/ast2004/> , for additional AST Conference Highlights.
