

Dear Colleagues,

Starting from this year we will be using EasyChair services to manage paper submission of our conference. Thus, in order to submit a paper you should follow such steps:

1. Click a link below to get to the DIPED-2017 conference submission page:
<https://easychair.org/conferences/?conf=diped2017>
2. If you don't have the EasyChair account, please create one at the same page by clicking: Create Account. Alternatively, you can go to Google Search, put EasyChair, go to EasyChair Home Page and choose Create Account.
3. Follow instructions that are given at each step. At Step 1 you have to type the correct words at the image from CAPTCHA (in order to verify that you are not a robot) and click CONTINUE.
4. At Step 2 you will need to provide your Name, Surname and correct email address for further correspondence.
5. After that you have to receive an email from EasyChair regarding Account Confirmation. To confirm your email please click a link that will be provided inside the email.
6. Once you clicked at this link, you will be forwarded to the Last Step page. At this step you have to provide all necessary information that is indicated by the star '*'.
Besides, you should provide a User Name and Password that you will be use to login to the service. Thus, please remember them carefully or write at some save place.
7. Once you finish filling all the necessary fields click Create my account.
8. If all data are correct, you will see "Your EasyChair account has been created. To log in for DIPED2017 submission page you can find the link to DIPED2017 in the respective list of the Conferences or chose Log Out, and after this go to <https://easychair.org/conferences/?conf=diped2017> and log in as author.
9. Please follow the instructions that will be provided at the submission process.
10. You will be requested to input paper's title, abstract, and key words separately.

For those of you, who has difficulties to register in the EasyChair service, please contact us via e-mail andr@iapmm.lviv.ua.

Thank you for understanding and your passion towards new technological innovations.

Sincerely,

DIPED 2017 Seminar/Workshop Program Committee
