

IEEE P1777

Meeting Minutes

April 7, 2007

This meeting was held during the Substation Committee annual meeting.

Marc Lacroix presents the status of the project and the outline of the document.

Many attendees show interest to participate in the preparation of the document. We will send them copy of the document when the main contributors complete the outline of their section.

List of attendees:

Mike Dood mike_dood@selinc.com

Steve Larson sllarson@snopup.com

Sam Sciacca Samuels@microsol.com

H. Lee Smith lee.smith@dcsystems.com

Craig Preuss preucm@bv.com

Charles Jackson Jackson@dteenergy.com

Steve Dalyai sdalyai@qeinc.com

Chris Huntley c.huntley@ieee.org
