

## 2<sup>nd</sup> Singapore Graduate Student Workshop Program

September 17-18<sup>th</sup>, 2009

Shaw Foundation Alumni House, National University of Singapore

The IEEE Power & Energy Society together with IEEE Industry Applications/ Power Electronics Joint Chapter welcomes you to the second Singapore graduate student workshop. The main objective of this workshop is to create a forum for graduate students from NUS and NTU working in the broad areas of Power systems and Power Electronics to exchange the latest research findings and ideas. This year our workshop will be held in conjunction with Asian Youth Energy Summit. This two-day event includes several panel sessions. **Our highlight will be the Graduate Student E-Poster Competition on September 18<sup>th</sup> from 11:30am to 1:00pm. To register, email (write 'Register for IEEE Graduate Student Workshop on Power' in the title) to Dr. Panida Jirutitijaroen at [elejp@nus.edu.sg](mailto:elejp@nus.edu.sg) before **September 11<sup>th</sup>**.**
