

## Call for Posters

2<sup>nd</sup> Singapore Graduate Student Workshop by IEEE Power & Energy Society and Industry Applications/ Power Electronics Joint Chapter  
in Conjunction with Asian Youth Energy Summit 2009.

September 17-18<sup>th</sup>, 2009, Shaw Foundation Alumni House, National University of Singapore

*The IEEE Power & Energy Society together with IEEE Industry Applications/ Power Electronics Joint Chapter are pleased to announce the second Singapore graduate student workshop. The main objective of this workshop is to create a forum for graduate students from NUS and NTU working in the broad areas of Power systems and Power Electronics to exchange the latest research findings and ideas. It will also provide a good networking opportunity for students, researchers in universities, research institutions, and engineers in Singapore.*

The workshop is **free for participation** for all graduate students working in related areas. This year our workshop will be held in conjunction with Asian Youth Energy Summit 2009. A two-day detailed program can be found on the website. <http://www.ayes2009.com/>. **Our highlight will be the Graduate Student E-Poster Competition on September 18<sup>th</sup> from 11:30am to 1:00pm.**

### Scope of the workshop

- Power and energy systems
- Industry Applications
- Power converters
- Electric Machines and Drives
- Sustainable energy technologies
- Artificial Intelligence techniques

**To register, email (write 'Register for IEEE Graduate Student Workshop on Power' in the title) to Dr. Panida Jirutitijaroen at [elejp@nus.edu.sg](mailto:elejp@nus.edu.sg) before September 11<sup>th</sup>.**

### Graduate Student E-Poster Competition

Students are invited to prepare their 1-page A1 poster in *electronic version* to the competition. Each student will be allowed 5-7 minutes to present their e-poster in front of all attendants. The first, second, third, and merit prize will receive IEEE certificates along with the S\$125, S\$100, S\$75 and S\$50 book vouchers respectively. All students who present their e-poster will receive an attractive gift.

Interested students should submit the title and the abstract of their work with less than 150 words no later than **September 11<sup>th</sup>** to Dr. Panida Jirutitijaroen, [elejp@nus.edu.sg](mailto:elejp@nus.edu.sg)
