Re: 2008-2009 IEEE Transportation Electronics Fellowship

Dear Sir/Madam,

As the Chair of the IEEE Transportation Electronics Fellowship Committee, I am sending you an application for this year's fellowship. Please feel free to copy and distribute it to as many potential candidates as you deem necessary.

The award amounts to a total of \$10,000 for one year of graduate studies in the field of vehicular technologies. The application is due on April 21, 2008 at the above address (electronic submission to emadi@iit.edu is preferred). The award should be announced either in May or June depending on the number of applications received.

Please feel free to contact me if you have any questions regarding the attached application or the Transportation Electronics Fellowship.

Regards,

Ali Emadi, Ph.D.
Chair, Transportation Electronics Fellowship Committee
