

IEEE Sensors Council

Sensors Research Graduate Scholarship Award

Sensors Council

Sponsored by General Electric Corp.

The IEEE Sensors Council will award a \$1,000 scholarship for the 2005-2006 academic year for outstanding graduate student research in sensing technology. The recipient of the award will be encouraged to attend the annual Sensors Conference in order to receive the recognition. Travel expenses are partially reimbursed (over and above the \$1,000 award).

Eligibility

1. **Applicant must be a graduate student in a scientific field (Engineering, Physics, Chemistry, etc) at the time of application**, and should be enrolled full-time during the 2005-2006 academic year.
2. Applicant must be an IEEE student member.
3. There are no citizenship requirements.
4. There is no limit to the number of applicants from an institution.

Application Procedure

1. *Application form* – The student must complete an application form, available in PDF or Microsoft Word format. See <http://www.ewh.ieee.org/tc/sensors/>
2. *Description of Research* – The student must submit a description of his or her sensors-related research accomplishments, within a maximum 5-page limit. Descriptions based on published articles and/or theses are strongly encouraged.
3. *Resume* – The student submits a **one-page** resume.
4. *Transcript* – Current *official* transcript showing list of courses taken and grades. Include a brief description of the grading system including the maximum possible grade (if not a standard 4.0 scale).
5. *Letter of Recommendation* – One letter of recommendation from a faculty member at the student's home institution is required. The letter should comment on the applicant's academic performance and research accomplishments.

Application Deadline: August 29, 2005

Application materials should be submitted in electronic-format only to:

Dr. Thomas Weller, e-mail: weller@eng.usf.edu

Chair, IEEE Sensors Council Scholarship Subcommittee

4202 E. Fowler Avenue, ENB 118

Tampa, FL 33620 USA

Tel: 813-974-2440;

Awards will be announced during the 2005 Sensors Conference.
