1. Proposed Citation:

Provide a brief statement, not exceeding 50 words, giving the major accomplishments for which the award is being made. This will be used if the nominee is selected as the awardee.

2. Basis for Nomination:

Prepare a statement not exceeding 750 words on why the candidate is being nominated for the award. This statement should then be followed by the record of accomplishments of the candidate as an educator, and/or as a researcher, and/or as an administrator, and/or as an industrial pioneer, as appropriate.

3. Short Biography (not exceeding 2 pages):

Include degrees earned (list universities and granting dates); other postgraduate study; record of all positions held (chronologically starting with the most recent position); IEEE activities and offices; other society memberships and offices; awards, honors, patents, inventions and other relevant contributions. (Email as separate attachment, if necessary).

4. Publications:

List all books, book chapters, and journal papers as well as 5 of the most important publications stating the engineering significance of each. (Email as separate attachment, if necessary).

Page limitation: Items 1 through 4 are limited to a total of four pages. Any additional pages will be deleted.

5. References:

No more than five brief supporting letters from colleagues should be included with each award nomination. List the names of the references on the nomination form. ALL reference letters must be received by the due date of the nominations, August 15, 2009.

**Nomination materials should be sent to the award committee Chair (2009)
