

Call for Paper

The 2013 Young Engineers and Scientists (YES2013) Conference on Multimedia, Communication and Mobile Application Technologies will be held on 8th November 2013, NUS, Singapore. The YES2013 will be the most comprehensive conference focused on the various aspects of Multimedia, Communication and Mobile Application Technologies. The YES2013 will provide an opportunity for young engineers and scientists to discuss the latest issues and progress with academic and industry professionals in the area of Multimedia, Communication and Mobile Application Technologies (MCM). In addition, the conference will publish high quality papers which are closely related to the various technologies and practical applications in MCM. We expect that the conference and its publications will be able to trigger further related research collaboration and technology improvement in the subject. Prospective authors are invited to submit papers to yesmcminfo@yahoo.com in the following areas (but not limited to):

- Audio and acoustic signal processing
- Spoken language processing
- Multimedia indexing and retrieval
- Multimedia and multimodal signal processing,
- User interfaces, and interaction models
- Security issues in Communications
- Machine learning for signal processing
- Embedded system and software
- Video coding, transcoding, & multi-view coding
- Speech processing
- Multimedia coding, streaming, and networking
- Music information retrieval
- Mobile telemedicine applications
- Wireless multimedia
- Vehicle communications
- Bioinformatics and mobile applications
- Multimedia transmission networks, systems, & applications

Important Dates

Extended Summary Submission Deadline: 1700hour, November 4, 2013 [(UTC+08:00) Singapore]

Paper Accepted/Rejected Notification: November 5, 2013

Final Extended Abstract Deadline: December 15, 2013
