- More than 70,000 IEEE members use at least one of the benefits in the Member Discounts program.
- Member Discounts products and services are supported by contracts between IEEE and providers, vetted by the professional staff and volunteers.**
- Member Discounts help to support the personal and professional needs of IEEE members throughout their careers, and are portable when they change employers.
- Not all Member Discounts insurance plans and product discounts are available in every country; however, members can find many benefits available in a number of countries, with more being added each year. In fact, the insurance program now spans 84 countries!
- Member Discounts are promoted at no cost to any member and more than $5.3 million in annual non-dues revenue from these programs benefit members worldwide.

Discover what IEEE Member Discounts can offer you.
