("Participant", "I", or "me", or "my") and given to NextEra Energy, Inc., along with and for the benefit of its officers, directors, affiliates, subsidiaries, associated companies, board members, supervisors, agents, and employees (collectively, the "Company"), to allow my presence on the property of Company's affiliate, [_DG AMP Solar_], LLC, so I can tour the solar facility located at [__16520 Carter Rd., Bowling Green, Ohio__].

In consideration of being permitted to participate in the tour, I, for myself and anyone acting on my behalf, agree to not sue the Company and I release, waive, and discharge the Company from all liability to me and my personal representatives, assigns, and heirs and next of kin. I intend that the release and waiver in the previous sentence apply to all loss or claims of any kind (including but not limited to damage to my property, or my injury or death) regardless of whether caused by the negligence of Company or otherwise, arising from my participation in any activity related to the tour.

I understand and agree that Company is not in the business of providing a recreational activity, and I acknowledge that the activity is potentially dangerous. I assume full responsibility for, and risk of, bodily injury, death, or property damage, whether due to the negligence of Company or otherwise, while I am participating in the tour. I also agree that the release, waiver and discharge in the previous paragraph is intended to be as broad as inclusive as is permitted by Ohio law, and that if any portion of this Release is held invalid, I agree that the parties intend that the remaining portions should continue in full force and effect. I shall indemnify and hold Company harmless against all claims by any party arising from my participation in the tour that are caused by my negligence, or any of my officers, agents, employees, guests, or invitees, including but not limited to attorney's fees and other legal expenses incurred in the defense of any such claim or any related action or proceeding. If any action or proceeding is brought against Company by reason of such claims, I shall, on notice from Company, defend the action or proceeding at my expense using counsel reasonably-satisfactory to Company.

I agree that the language in this document is clear to me, and that I had the opportunity to ask any questions I had about the important rights I am releasing by executing this Release.
