

# 2003 EMC AWARDS

## IEEE INTERNATIONAL SYMPOSIUM ON ELECTROMAGNETIC COMPATIBILITY

### CERTIFICATE OF ACKNOWLEDGEMENT

**Amy Pinchuk** - For outstanding service to the EMC Society by initiating and handling the "Children's Technical Demonstrations" at both the 2001 and the 2002 IEEE International Symposia on EMC. The demonstrations were very successful at each symposium and added a special dimension to their overall success.

**Derick Skouby** - For contributions as Chairman of the successful Portland, Oregon EMC 2003 Colloquium.

### CERTIFICATE OF APPRECIATION

**Dan Hoolihan** - For significant contributions as Chairman of the 2002 IEEE International Symposium on EMC.

For significant contributions to the 2002 IEEE International Symposium on EMC:

<b>Bob Schlentz</b>	<b>John Maas</b>	<b>Brodie Pedersen</b>
<b>Curt Sponberg</b>	<b>Don Gilliland</b>	<b>Phil Tuckner</b>
<b>Mike Volk</b>	<b>Greg Lawrence</b>	<b>Erik Borgstrom</b>
<b>Joel Pettier</b>	<b>Duane Bagdons</b>	

For contributions as EMCS Board Member for 2000 - 2002:

**Lawrence Cohen**    **Frederick W. Heather**    **Carlos Sartori**

For contributions as a Distinguished Lecturer for 2001 - 2002:

**Colin E. Bronch**    **Lothar O. Hoefft**    **Maria Sabrina Sarto**

### CERTIFICATE OF RECOGNITION

For significant contributions to the 2002 IEEE International Symposium on EMC:

<b>Rosemary Hoolihan</b>	<b>Bob Patrick</b>	<b>Jolene Murphy</b>
<b>Gayla Burns</b>	<b>Ed Dunlap</b>	

**Louise Kennedy** - For significant contributions to the success of the Central New England EMC Society Chapter.

**Chuck Britten** - For contributions to the success of the Portland, Oregon EMC 2003 Colloquium.

### MOST IMPROVED CHAPTER AWARD

Phoenix Chapter

### CHAPTER OF THE YEAR AWARD

Sendai, Japan Chapter

### BEST STUDENT DESIGN

**Antony Mihalopoulos, Jon Kobleske and Wayne Stollenwerk**, University of Wisconsin-Milwaukee, I

### BEST STUDENT PAPER

"Electromagnetic Coupling Through Perforated Shields Due to Near Field Radiators," by **Shabista Ali**, **Daniel S. Weile**, and **Thomas Clupper** (\*student author).

### UNIVERSITY GRANT AWARD

Department of ECE, The Citadel, Charleston, South Carolina

### BEST SYMPOSIUM PAPER AWARD

"An Analytical Model for Studying the Electromagnetic Radiation of Power-bus Structures" by **Thomas Fischer**, **Marco Leone** and **Manfred Albach**.

### BEST IEEE TRANSACTIONS ON EMC PAPER 2002

**Perry F. Wilson, David A. Hill and Christopher L. Holloway** "On Determining the Maximum Emissions from Electrically Large Sources," vol. 44, no.1, pp. 78-86, February 2002, IEEE EMC-T, Perry F. Wilson, David A. Hill and Christopher L. Holloway.

### TECHNICAL ACHIEVEMENT AWARDS

**Anthony B. Anthony** - For 35 years of engineering contributions and development of a novel low-inductance capacitor design.

## 2003 AWARDS LISTING

**Antonio Orlandi** - For innovative contributions to the numerical modeling and impact of Signal Integrity on EMC/EMI in high-speed digital systems.

**Vittorio B. Kauders** - For over two decades of significant professional achievements in electro-optical devices' EMC and identification of ultra low frequency interference generated from remote atmospheric activities. For significant contribution to the understanding of interference coupling to electro-optical devices and the EMC remedies needed for increasing an electro-optical system's immunity to EMI.

**LAWRENCE G. CUMMING AWARD**

**Heyno Garbe** - For outstanding service and leadership as Chairman of the IEEE German EMC Chapter, contribution to the standardization of EMC measurement techniques with TEM waveguides, service to the 2003 IEEE International Symposium on EMC Istanbul as a member of the Organization Committee, service to the IEEE Transactions on EMC as an Associate Editor, and contribution to the overall success of the IEEE EMC Society.

**RICHARD H. STODDARD AWARD**

**Marcello D'Amore** - For numerous contributions to EMC education and research, including the establishment of EMC Europe, and efforts to enhance the quality of articles published in the IEEE Transactions on EMC.

**HONORARY LIFE MEMBER AWARD**

**Robert H. Brook** - For outstanding service and contributions to the IEEE EMC Society and for a lifetime of contributions to the EMC profession.
