PDH credits claimed for participation in these activities are normally accepted by State Boards of Professional Registration in the United States. But, please remember it is the responsibility of each licensee to assure that all PDH credits claimed meet the requirements of the jurisdiction in which they are licensed. The session title and subject must be appropriate to your license and needs- the final responsibility rests on your judgement. Contact your state board of professional registration for their rules if you are not sure. Also note that the IEEE PES Switchgear Committee will not keep records of who attended what. If audited, it is the applicant's responsibility to provide authenticating documents (eg. hotel receipts, meeting registration fee receipt, badges, etc.).
